

**Brooklyn Center for Independence of the Disabled
Community Health Worker positions open
(part-time—4-6 hrs. per week)**

We are seeking to fill six part-time peer counseling positions for our Community Health Worker (CHW) program.

As a CHW, you will make weekly calls to offer emotional support, provide links to community resources, help program participants navigate the health care system and become self-advocates. The right candidates will be empathetic and have a warm personality, be organized and have good writing and computer skills.
