

Due to COVID-19, Suffolk Independent Living Organization (SILO) will not be having an ADA Celebration this year. However, SILO would like to recognize the importance of the Americans with Disabilities Act. Celebrating 31 years of removing barriers in the community for people with disabilities.

The ADA has positively impacted the lives of so many people with disabilities. Ensuring that people with disabilities rights are protected. With the Americans with Disabilities Act as our platform,

SILO also recognizes that there is still a lot of work that needs to be done to create a society that is universally accessible for all and free of discriminatory barriers towards people with disabilities.
